### “ NURSING SCHOOL PROJECT ”

SVMM has run a RANM nursing school since 2000. It has an intake capacity of 20 admissions per year. Till date around 350 girls have completed the course and are earning a livelihood for their families. Most of them are from rural areas and some from tribal areas. Their families have agriculture as their sole source of income. During the pandemic we have taken care of their education by conducting online classes. Last 2 academic session Persistent Foundation sponsored 6 students tuition fees.
